

Kamal Model Sr. Sec. School

COGNIZANCE

May- July 2022

Dr. Vandana Tandon

Principal's Message

With this changeable world, our main motto is to prepare our children for 21st century. To ensure innovation and improvement in our students and ourselves, we need to change the way we learn and acquire. For such holistic development, our educators at Kamal Model Sr. Sec. School help students to connect with the advanced world and understand the current technologies that the world is heading towards. We imbibe moral values, life skills, value driven minds, patriotism, edifices with a strong sense of association with an aim of holistic development of all. Our mission is "To develop and equip the youth of India with necessary skills and be prepared for 21st century advancements. "We strongly believe in the quote - "Great men acquire success through experience and learning"

Chairperson's Message

We believe that our students need to learn - the secret of success and contentment that lies in discovering one's own strengths as well as limitations. Our priority is to develop critical thinking skills such as reasoning and problem-solving that motivate students to reach sound conclusions based on observation and information. Our school promotes a system of education that emphasizes humility, creativity and utility. We enrich and incorporate the word "Uniqueness" in our school system.

Dr. V.P. Tandon

5

Academic Director

The exponential growth of technology and the vastly transformed educational scenario has necessitated changes in our structure of learning. In KMS, every child is trained to build his/her mind as a unique creator that forms correct decisions with social excellence. We consider education not merely about the subjects that are learnt and taught in school, but it is an unbelievably exciting exercise of experiences that builds future. We admire the globalised world and encourage our students to be persistent in their quest for learning and acquire the requisite skills to excel in upcoming years. We have improvised our techniques, strategies and methodologies in order to work for holistic development of multiple intelligences.

Academic Coordinator

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations". At Kamal Model Sr. Sec. School, we strive to give every student the opportunity to express themselves. Each child has his own unique quality and as an educator, it is our responsibility to nurture and develop every learner in their school years. Children at Kamal Model Sr. Sec . School are exposed to a holistic approach where learning is expressed in a variety of ways through language, play, drama, art, music and movement. Children are involved in in-depth thinking, lateral thinking and hands-on experience to retain knowledge which helps them in their growing years. We as a facilitator, try to provide students' with desired opportunities for their growth and upliftment.

Mrs. Pushpa Jindal

Coordinator's Message

MRS. DOLLY CHAUHAN

Our approach towards learning is a promise to all our students and parents for an active and student centered learning. We ensure enhancement and upliftment of student's uniqueness and capabilities. We try to improvise the learning by adopting the policy of 'how to think'. Our strength is our optimistic progress towards reaching the education goal at a great height.

MRS. VEENA AGGARWAL

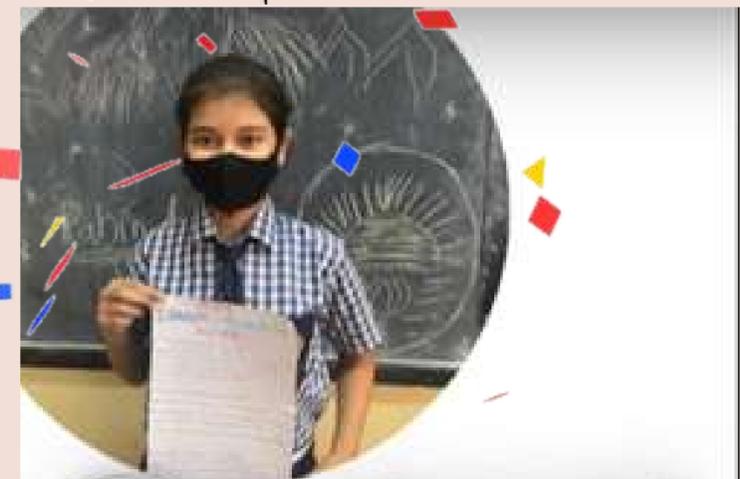

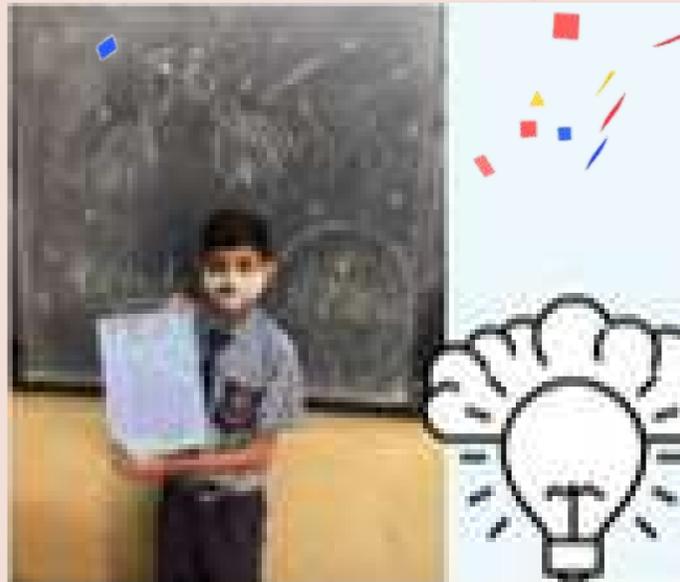

MRS. SHALINI GUPTA

Rabindranath Tagore Jayanti

On the occasion of Rabindranath Tagore Jayanti (7th May), students were acquainted with the polymath who worked as a poet, writer, playwright, composer, philosopher, social reformer and painter. The students were briefed about the profound work of our poet. He was awarded the Nobel Prize in Literature in 1913, because of his sensitive, fresh and beautiful verse and poetic thoughts. He enhanced the imagination of millions of readers through his work.

Save Soil Movement

Kamal Model Sr. Sec. School organised an awareness programme on the topic - 'Save Soil Movement' by the most prominent and spiritual leader 'Sadhguru' under the support of - Isha Foundation on 20th May. A volunteer of Isha Foundation conducted the awareness programme related to the reduction in soil fertility and productivity. in India." She also suggested ways to improve soil fertility.

https://youtu.be/NFW_Aob6nUU

Soil is the source of the food we eat. Food is the basis of our body. But some call this soil as dirt. If the source is dirt, what of the end product? Only in preserving the quality of the soil, the quality of the planet and life will endure.

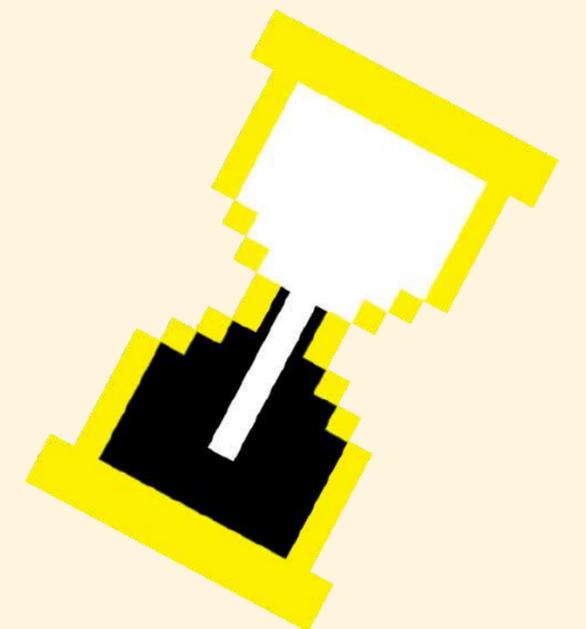

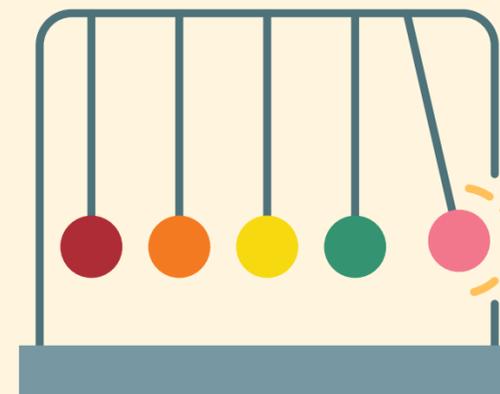

Sadhguru

ANCIENT TIME MEASURING TOOLS

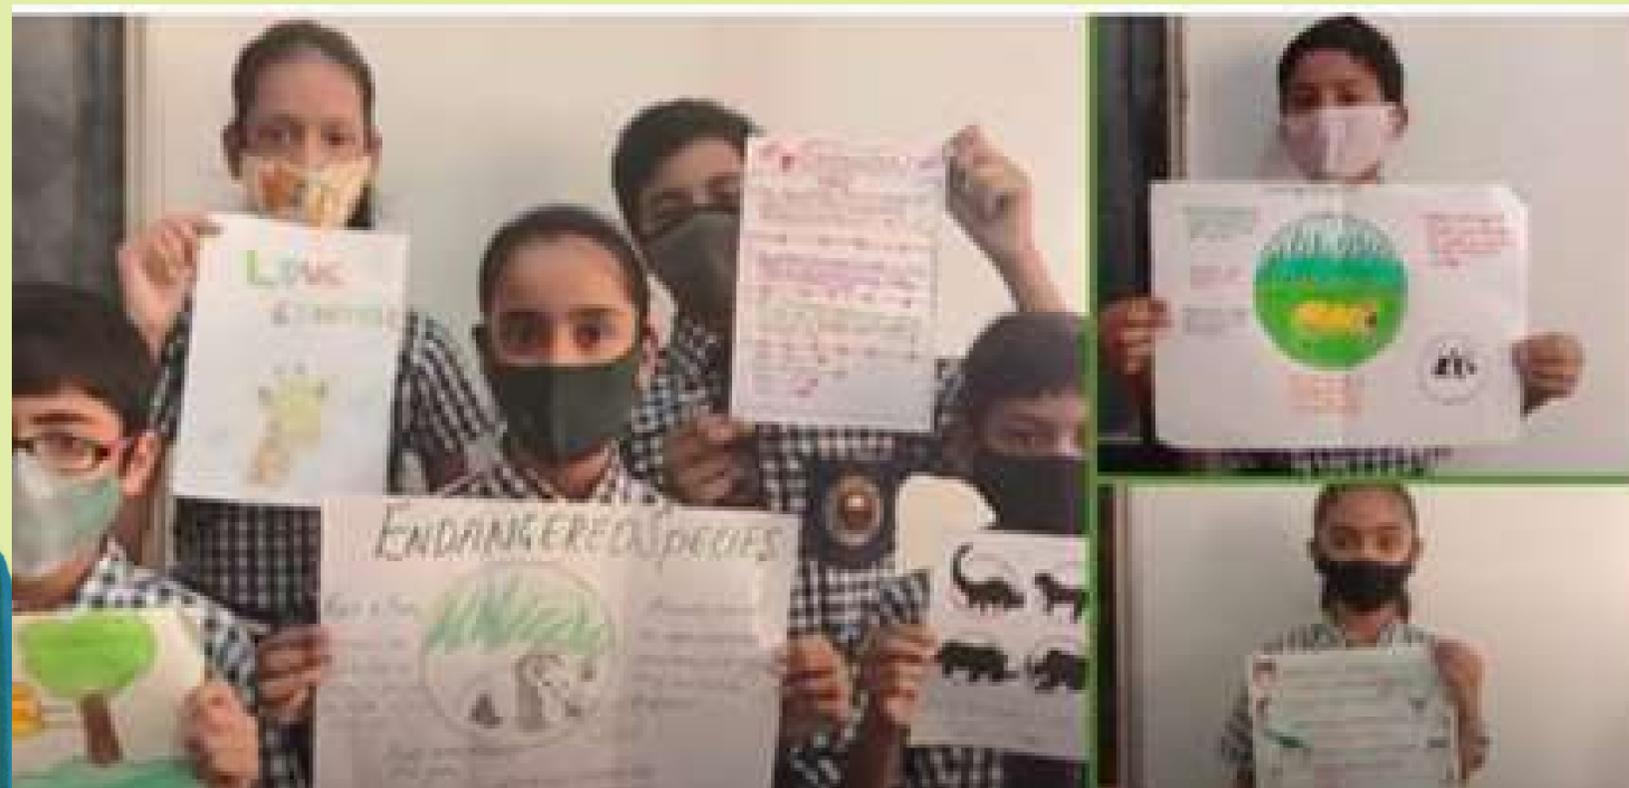

Students performed the activity on ancient time measuring tools with the help of equipments such as bottles, sand, salt, old bulbs, thread, balls, and stick.

International Republic Model United Nation

Shreyash Varshney

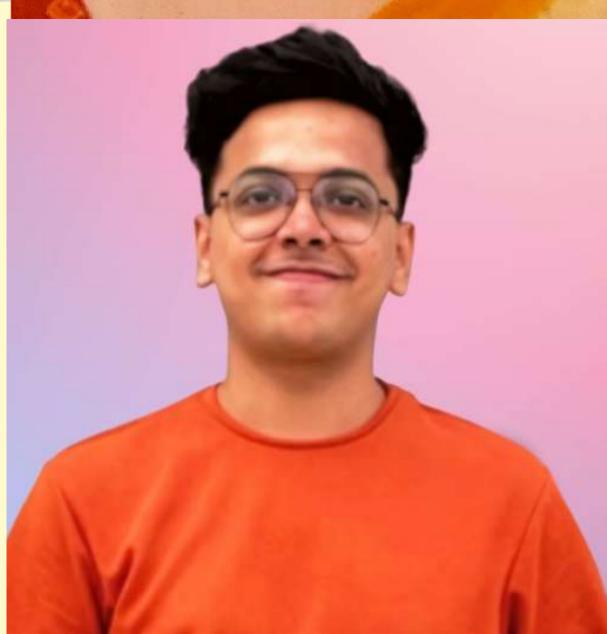

FOUNDER PRESIDENT

Vote of thanks

"In order to be irreplaceable, one must think differently"

We considered this quote as our mission while conducting all the activities throughout these months under the guidance of teachers and mentors. We tended to embrace uniqueness and create an open space for all the learners to explore their talents and capabilities. It is the great determination and laborious work of students and teachers collaboratively that worked for the accomplishment of all the activities and profound work. Cordially, We would like to thank Principal madam for inspiring us with her great achievements and guiding us to the new accomplishments. Also, to all the parents for acknowledging our efforts and providing immense support in constructing efficient education system.

Thank you all.

Ms. Shalini Gupta and Team
