TREE PLANTATION

A very auspicious tree plantation programme was organized in our KAMAL MODEL SR SEC SCHOOL to create an awareness regarding climate change and its adverse effect on us. A range of 200 plants were planted in the school garden and periphery of the school playground to create an awareness about saving trees.

Students have maintained a herbal garden in the campus by planted many flowers and plants like Tulsi, Aloe vera, mint, corrom seeds and neem tree as it contains medicinal properties.

Students have added the beatification at the road side area of the school by growing plant

WORLD OZONE DAY

Special Assembly was held on **WORLD OZONE DAY** (16th September) to create an awareness on environmental issues like depletion of ozone layer which affects our climate, and causes cancer and skin diseases. It also encourages people to grow maximum plants near by their surroundings or balconies of their houses and make terrace garden. Students also delivered speeches on benefits of planting trees - how it helps cleaning the environment and uses of medicinal plants. We as a school pledged to plant as many trees as possible near our area so as to create a very healthy environment and contribute in minimizing the climatic changes.

KIDZANIA

On Thursday 15th September 2022, our young and budding tiny-tots visited an "KIDZANIA" in which

Connecting and Communicating with Parents

Effective communication builds understanding and trust. When you and parents/carers understand and trust each other, you'll all be better able to work together to support children's wellbeing and development. This is why effective communication is essential to establishing and maintaining positive partnerships with parents and carers.

In every interaction with parents, our goal is to strengthen our partnership with them.
