

FROM THE CHAIRPERSON'S DESK

"Education is not filling of a pail, but lighting of a fire"

The secret of good education is respecting the pupil and focusing on learning rather than teaching.

With immense pleasure and profound gratitude to the Almighty God, we aim to impart holistic education to the students that would empower them with a global outlook and instil age old values in their minds and hearts. KMS aims at nurturing an individual with paramount values and multivalent competencies. The school has a well-qualified and dedicated faculty to oversee the well-being of students. Teachers like beacon lights, use different learning pedagogies according to the needs of the learners. The curriculum is both supportive and progressively challenging so that each child may develop to his/her potential.

We always remain alert regarding good manners and etiquettes of the students. We inculcate the emotions and sentiments of universal brotherhood, respect, love, kindness, co-operation, compassion, commitment and sympathy among the students instead of anger, ego, lethargy and hatred. We give full concentration to personality development of the students. We enable the students to respond quickly and accurately to everyone and every situation positively. We make our students aware of environment also. We inspire and guide the students to keep the environment clean and green through plantation.

Finally, I pray to God for the well-being, prosperity, long, successful and happy life of all the students, parents, staff-members and all those people who are associated with the KMS family in any manner.

Dr. V.P. Tandon

Editorial Team

Dear Readers,

***“IMAGINE with all your mind
BELIEVE with all your heart
ACHIEVE with all your might.”***

Each issue of our chronicle is a milestone that marks our growth, unfolds our imagination and gives life to our thoughts and aspirations. It unleashes a wide spectrum of creative skills ranging from writing to editing and even in designing. KMS initiates this notion and continues its journey with profound enthusiasm and aims to provide holistic learning to our young learners. We would like to conclude by saying that, “You must discover what you are made up for, and you must work indefatigably to achieve excellence in your field of endeavour.”

TEACHER'S TRAINING BY LEAD ACADEMY

KMS always thrives for excellence of students as well as teachers.

The school strongly believes that implementing a teacher training program regularly is the key to success for a school and its students and faculty.

Our school is partnered with LEAD ACADEMY. It conducts teacher training program on regular basis as LEAD ACADEMY is dedicated towards helping teachers in succeeding by upskilling them in different aspects.

An interactive session was held by the expert Academic Excellence Manager of LEAD.

The training stressed on the significance of using the visual-aids to explain abstract concepts. LEAD offers customized content, based on partner school teacher's individual needs. It offers an interactive, innovative and impactful training to initiate a new paradigm in the teaching learning process in a very subtle and creative manner. They enable teachers to use 5C approach. Availability of LEAD Excellence Kit and CRLs are boon for teachers for innovative teaching.

Versatile strategies and teaching approaches were discussed like conducting of SLCs twice a year, regular solving of practice tests and assessing by following proper rubrics for the holistic development of the students.

Atal Innovation Mission

"ENVIRONMENT IS NO ONE'S PROPERTY TO DESTROY, IT'S EVERYONE'S RESPONSIBILITY TO PROTECT"

Students of class 9th & 11th submitted their presentation online to be a part of this marathon. The motive was to reduce carbon emissions in our atmosphere using 6R'S, successful implementation of SOLAR PANEL, WATER HARVESTING RESERVOIR, PLANTATION OF MEDICINAL HERBS & CLIMATE REFRESHING TREES, BARTAN BHANDAR to maintain ENVIRONMENT & CLIMATE SUSTAINABILITY.

Presentation of ECO BRICKS was highlight of the presentation.

Organic farming

Thomas Jefferson being US President once had rightly quoted that 'Agriculture is our wisest pursuit, because it will in the end contribute most to real wealth, good morals and happiness' and this becomes much more relevant for today's evolving world when we will conflate it with Organic Farming. Students of class 7th of Kamal Model Sr.Sec.School enthusiastically showed the panoramic view of the state having India's highest peak Kangchenjunga.

A small yet very efficacious state of Sikkim. This state is not only famous for having the label of India's first plastic free state , but it has also become eminent in the field of Organic farming (a modern farming method). Here students had showed their untiring efforts by presenting best for the awareness of their school fellows. They showed the ground reality and ,with the help of their effective communication skills viewers got the real glance of the instance and helped in getting the real view of the problems.

Their efforts were worth helping viewers to experience everything from tetrahedron which was more like reality. We hope for the betterment of rest of our country and world along with our good wishes for their future .

EK AUR PAHAL -YAMUNA BACHANE KI -AN AWARENESS DRIVE

The 'Yamuna Bachao, Delhi Bachao' poster exhibition is an important initiative taken by Kamal Model School to raise awareness about the environmental degradation of the Yamuna River and its impact on the city of Delhi. Through this exhibition, people were educated about the importance of protecting the river and the measures that can be taken to save it. It is hoped that the exhibition would inspire people to take action and create a movement to save the Yamuna River and protect Delhi's environment for future generations.

Sports Achievements

" Every champion was once a contender that refused to give up."

The champions of Kamal Model Sr. Sec. School do prove it right by continuously adding pride in the glorious list of our school's achievements. The shining stars of our school participated in the MP Sports Festival held at Modern International School in which they secured various positions in tug of war competition because of their untiring efforts. They won 1st position in under 14 boys , 3rd position in under 18 boys and 3rd position in under 14 girls. Our under 18 girls reached in quarter final match . Our school is very proud of all the young achievers and wishes them luck for their future goals as well.

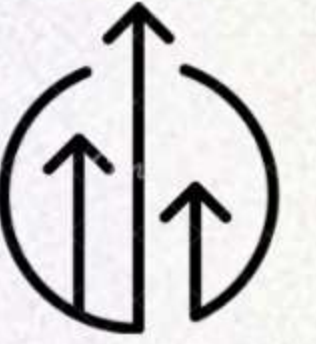

INTER SCHOOL COMPETITIONS

INTERNATIONAL SPELL BEE COMPETITION

Learning language is the foremost step in the life of a child as it helps him/her to communicate with the world and the school plays a vital role to train the child in this direction. The Spell Bee Competition which was held on 13th Feb at Kamal Model Senior Secondary School aimed at creating awareness of the possibilities of using varied words. The objective of the competition was to enhance the spelling and and literary skills of children by encouraging them to explore the English language and expand their vocabulary. Students got participation certificates and medals for qualifying level 1 and level 2.

The Earth Day

"Preserve and cherish the pale blue dot, the only home we have ever known."

The Earth Day ☒ is observed on April 22 and as the theme says "INVEST IN OUR PLANET", Kamal Model Senior Secondary School celebrated Earth Week to demonstrate support for a healthy environment, raising awareness about environmental issues and to remind people that we all need to contribute to a sustainable planet.

Kamal Model Senior Secondary School celebrated the first day of Earth Week- "Dharaa" through a series of activities. Array of creative arts and craft were done by primary students to sensitise the children about the conservation of natural resources and to motivate them to save our Mother Earth.

" All we have to do is to wake up and change."

The Best Out Of Waste

The Best out of Waste simply means to make or to create innovative and attractive things from the material we do not use anymore.

Kamal Model Senior Secondary School organized **The Best out of Waste Exhibition** on day 3 as a part of Earth day week on 18th April 2023. Students of class 1 to 4 actively participated in the event and made a variety of things such as basket, bottle, cups, pen holders, wall hangings and many more using their creativity. The aim was to get maximum practical benefits from products and to generate the minimum amount of waste.

ORCHA RAMLILA

"A nation's culture resides in the hearts and in the souls of its people"

Ram Mahotsav was held in ORCHA, Madhya Pradesh from 5th to 9th April. Many well known artists participated in the event among which students of Kamal Model Sr.Sec.School and Gurugram Global Heights also showcased their talents. The event was attended by our Honorable Principal Dr.Vandana Tandon who is honourable member of CBSE governing body and Dr.Ved Prakash Tandon who is the Chairman of International Ramleela Committee. The students of our school showed their skills in front of millions of people and did a great demonstration of Indian Ramleela by which they stole hearts of every single Indian.

RAMLEELA BY STUDENTS OF K.M.S

**FESTIVAL OF
BROTHERHOOD**

Eid

Tiger's Day

Students of class 9th, Kamal Model Sr.Sec.School, organized an exhibition on Tiger day. The goal of exhibition was to raise awareness about the plight of tigers and to encourage individuals to take action to support their conservation. By providing engaging and informative exhibits, such events can help to educate the public about the importance of protecting tigers and their habitats for future generations.

A group of students in a laboratory or classroom setting are engaged in a hands-on activity. They are seated at a table with various pieces of laboratory equipment, including microcentrifuge tubes, pipettes, and small storage containers. One student in the foreground is writing in a notebook. The background shows other students working at their desks, suggesting a collaborative learning environment.

EXPERIENTIAL LEARNING

Dear Students

Our true success will be seeing you on a higher pedestal - that will be the best gift for us. So work hard and try to achieve success . If you have the will-power, courage and determination no one can stop you from becoming the person you aspire to be. Start believing in your abilities and success will come along automatically.

THANK

YOU
