ANNUAL DAY

2022

*Our students danced on the rhythm of good vibes and great music with immense zeal and enthusiasm. It was a great way to show love, affection, struggle of life and importance of woman's strength in our great annual play - Maksh-Deepdaan. Everyone's presence made the event a remarkable one.*

# FAREWELL AT JOYGAON

The farewell of class 12th for the year 2022-23 was held at Joygaon-, Jhajjar which was attended by our honourable Principal, Dr. Vandana Tandon and all the staff members. There, we gave the hardest goodbyes and hopes for future endeavours. Our mentors gave the last motivational note to all their dear ones -

**"To work hard and achieve goals step by step and always give a smiling hello to all the new adventures in life."**

This was the most memorable event for both students and teachers. They showered with blessings and new learnings.

*Our memories of yesterday will last a lifetime; everyone will take the best and forget the rest and someday we will find these were the 'Best of Times'.*
