Memorandum

*From the Chairperson 's desk*

**DR. VED PRAKASH TANDON**

I hope this message finds you in good health and high spirits. As we step into the heart of the school year, I would like to extend my warmest greetings to all our students, parents, teachers, and staff.

Our school has always stood as a beacon of knowledge, a place where young minds are nurtured and shaped into responsible citizens of the future. The dedication and hard work of our educators are commendable, and I'm proud to see our students flourishing academically, creatively, and personally.

In the spirit of continuous improvement, we have some exciting initiatives in the pipeline. We are focusing on enhancing our technology infrastructure, ensuring that our students are equipped with the latest tools for a holistic learning experience. Moreover, our commitment to a safe and inclusive learning environment remains unwavering, with an emphasis on mental health and well-being.

Community engagement is at the core of our school's success. We encourage parents to actively participate in school activities and be partners in their child's educational journey. Your valuable feedback and involvement are vital in shaping the school's future.

I would like to express my gratitude to the dedicated teachers, administrative staff, and all those who contribute to making our school an exceptional place for learning and personal growth.

As we move forward, I invite you all to join us in our mission to nurture the leaders of tomorrow and to foster a compassionate and inclusive educational community. Together, we can achieve great heights.

Thank you for your continued support, and I look forward to a rewarding and successful year ahead.

*From the Principal's desk*

Dr. Vandana Tandon

It's with great enthusiasm and pride that I address you in this edition of our school chronicle. As we embrace the beautiful autumn season, I reflect upon the incredible journey that our school community has embarked upon.

The second innings of this academic session the promise of fresh beginnings and exciting opportunities. Our students, parents, and dedicated faculty members have consistently made our school a place where excellence, creativity, and personal growth flourishes.

In our ever-changing world, education plays a pivotal role, and our commitment to providing a well-rounded and innovative learning experience remains steadfast. We continuously strive to adapt to the evolving needs of our students, preparing them not just for today but for the challenges and opportunities of tomorrow.

We are investing in cutting-edge resources and expanding our curriculum to ensure that our students are equipped with the skills and knowledge required for the 21st century. From STEM initiatives to arts and athletics, we aim to nurture well-rounded individuals who can excel in any path they choose.

Parent involvement is crucial to the success of our students. Parents are encouraged to actively participate in school activities, parent-teacher conferences, and other events. Their support and engagement is invaluable.

Our teaching and administrative staff continues to go above and beyond, and their dedication is inspiring. Their passion for education and their love for our students is evident in the successes we achieve together.

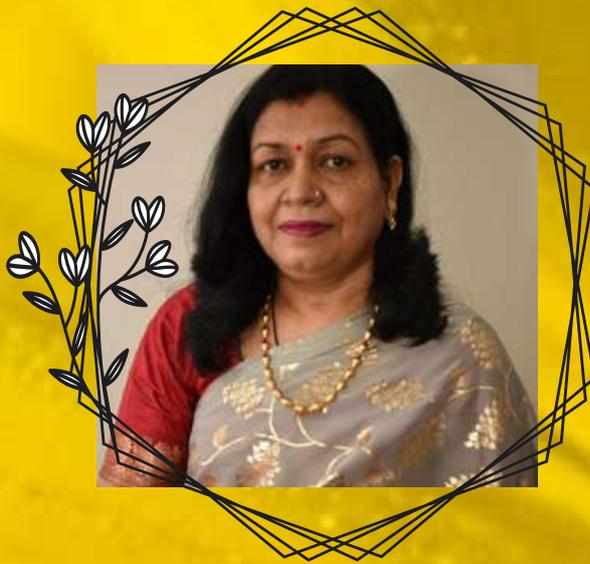

As we look ahead, I have no doubt that the KMS community will continue to thrive. Together, we can overcome challenges, embrace opportunities and make efforts to make our future successful.

I extend my gratitude to all of you for your trust, dedication, and the role you play in making our school a truly exceptional place. Let's work hand in hand to create a brighter and more promising future for our students.

Thank you for your unwavering support...

# Academic Director

**MS. PRAMILA MISHRA**

It is my pleasure to connect with you through the pages of our school chronicle as we dive into another academic term filled with promises and opportunities.

As the Academic Director, my foremost goal is to ensure that every student's educational journey is marked with growth, excellence, and a passion for learning. This goal is shared by our entire school stakeholders - students, educators and parents.

This academic term, we continue our pursuit of academic excellence, seeking to empower our students with the knowledge, skills, and character that will guide them to success in an ever-evolving world. We remain committed to fostering a dynamic and engaging learning environment that will challenge, inspire and support each student.

One of the critical aspects of our school's success is the active involvement of parents. Their collaboration in their child's education is important and they are urged to take an active role in school activities, meetings, and discussions. Working together, we can provide our students with a strong support system for their academic journey.

Throughout this academic term, you can look forward to a range of academic and extracurricular activities designed to enrich the educational experience. These events offer students opportunities to explore their interests, develop leadership skills, and celebrate their unique talents.

The year ahead is filled with exciting possibilities, and I am confident that, together, we can inspire our students to reach new heights of success. Your continued support and involvement in our school community will make all the difference.

Thank you for being an integral part of the KMS family. Let's embark on this journey of learning, growth, and accomplishment with determination and enthusiasm.

# Academic Director

MS. SAKSHI TANDON

It is with great enthusiasm that I greet you in the pages of our school chronicle. As the Academic Director, I am honored to connect with you, our valued students, parents, and dedicated educators.

Our school year is well underway, and I am thrilled to witness the incredible strides our students are making in their educational journeys. This could not have been possible without the dedication and hard work of our passionate teaching staff, the support of parents, and the resilience of our students.

Our commitment to academic excellence remains unwavering. We strive to provide a nurturing and innovative learning environment that equips our students with not just knowledge but also the critical thinking skills, adaptability, and resilience needed to thrive in the complex world that awaits them.

Parental involvement is a cornerstone of our school's success. Your active participation in your child's education is invaluable. Parents are encouraged to engage with the school, attend meetings, and participate in the many events and initiatives we offer. Together, we can provide a strong support system for our students.

My heartfelt appreciation to our dedicated teaching and administrative staff who works tirelessly to create a dynamic and challenging educational atmosphere. Their passion and commitment are pivotal to our students' growth and success.

As we look ahead, there is much to anticipate. The upcoming months will be filled with academic competitions, cultural and sports events, and various activities that celebrate the diverse talents of our students. These experiences are essential for their holistic development.

I am sure that the future holds exciting possibilities for our students.

*From the Head Coordinator's  
desk*

**Ms. PAROMITA MUKHERJEE**

I am thrilled to connect with you all through this edition of our school chronicle. As the Head Coordinator, it is my pleasure to provide you with a glimpse into the exciting happenings at our school.

This academic year is off to a fantastic start, and it's evident that our students are embracing learning with enthusiasm and determination. Our talented teaching staff, dedicated support personnel, and supportive parents all contribute to this environment of growth and achievement.

Our commitment to providing a well-rounded education is unwavering. We are continually striving to enhance the educational experience for our students. This year, we are focusing on the development of critical thinking skills, encouraging creativity, and fostering a love for learning that will serve our students well in their future endeavors.

Our school thrives on collaboration, and I am grateful for the dedication of our teaching and administrative staff who work tirelessly to create a nurturing and challenging learning environment. Their passion for education is the cornerstone of our school's success.

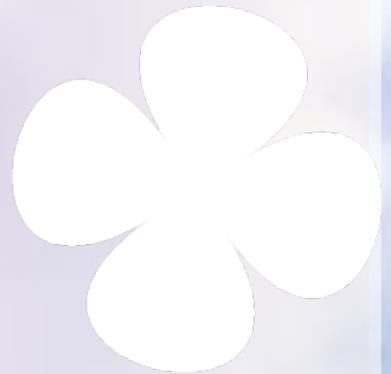

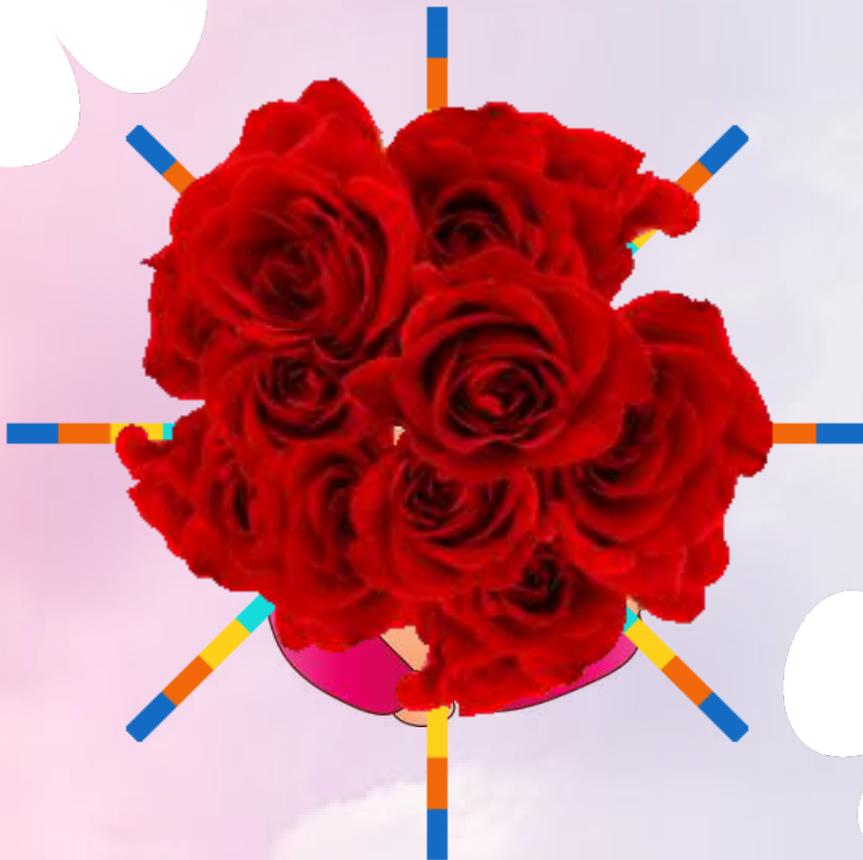

In the coming months, we look forward to an array of exciting events, from academic competitions to cultural and sports activities. These events provide students with opportunities to showcase their talents, develop leadership skills, and build a sense of community.

Thank you for your continued support, trust, and active involvement in the Kamal Model Senior Secondary School community. With your collective efforts, we can ensure that our students thrive and excel in all their endeavors.

# जन्माष्टमी

# श्रीकृष्णा जन्माष्टमी

[Click here](#)

The Janmashtami Pooja celebration at Kamal Model Sr. Sec. School is a resounding success, bringing together the school community in a spirit of devotion, unity, and cultural appreciation. It not only deepened the understanding of this important Hindu festival but also fostered a sense of harmony and respect for diverse traditions among the students.

## Preparation:

The teachers and staff put in diligent efforts to make this festival special for the young children. The classroom was beautifully decorated with colorful posters, pictures of Lord Krishna, and flower garlands. The children were encouraged to come dressed as little Radhas and Krishnas, which added a delightful touch to the celebration.

## Activities:

**Storytelling:** The celebration began with a storytelling session, where the teachers narrated the story of Lord Krishna's birth and his childhood adventures. The young children were captivated by the tales, and it helped them understand the significance of Janmashtami.

**Art and Craft:** The students were engaged in art and craft activities related to Janmashtami. They drew & decorated small Matki (pot) designs, all symbolizing Lord Krishna's attributes and accessories.

**Bhajan Singing:** The children sang devotional bhajans dedicated to Lord Krishna. This activity fostered a sense of spirituality and connectedness to the festival's theme. The Janmashtami celebration was a joyful and educational experience for the young children. It not only acquainted them with the cultural and religious significance of the festival but also encouraged creativity and teamwork. The combination of storytelling activities, made it a memorable day for all the students.

Overall, the celebration served its purpose in introducing the children to the rich traditions and stories associated with Janmashtami, fostering a sense of cultural awareness and celebration in their young hearts.

# OZONE DEPICTION POSTERS

Class 8

It was class 8 activity where students were shown the hazardous effects of the depletion of ozone layer. They understood the importance of this matter and took a pledge to care for the layer as well. "Protecting Our Ozone Layer" poster was also designed to educate and inspire viewers about the importance of preserving the ozone layer. Through engaging visuals, key messages, it aimed to raise awareness and encourage individuals and communities to take steps towards reducing ozone-depleting substances and safeguarding our planet's vital protective shield.

[Click here](#)

A vibrant space-themed illustration. The background is a dark blue-purple gradient with various celestial bodies: a large orange planet, a blue and green planet, a yellow comet, a red meteor, and several yellow stars. Two astronauts in blue and white suits are floating in space. One astronaut is holding a small globe of the Earth. In the bottom left, a red and orange rocket is launching. A large white oval with a dashed border is centered on the page, containing the text.

# OZONE DAY ASSEMBLY

*By class 8 students*

# Report

By Class VIII

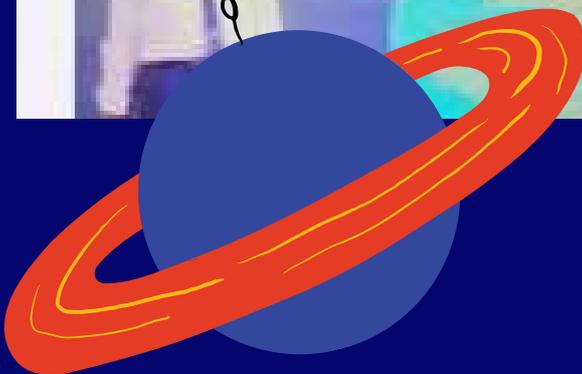

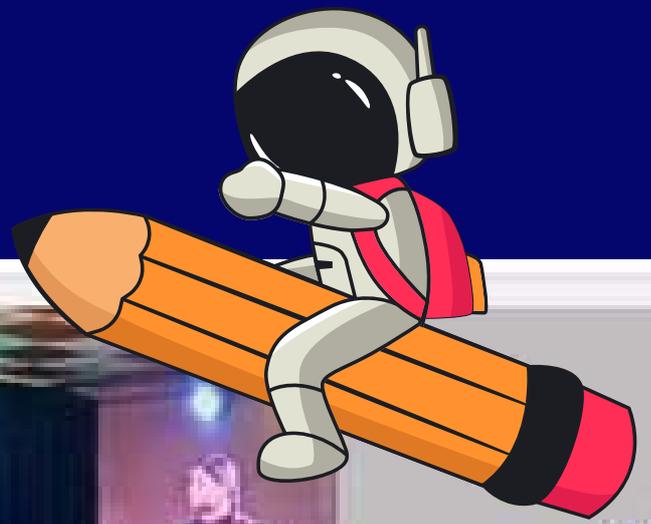

On 4th October, 2023, Kamal Model Sr. Sec. School students and teachers gathered in the school auditorium to commemorate World Ozone Day, an important occasion that highlights the significance of the ozone layer and the need to protect it. The assembly was organized and hosted by class VIII with the support of the school administration, teacher and non-teaching staff.

The assembly commenced with an opening introduction of the critical role of the ozone layer in protecting life on Earth from harmful ultraviolet (UV) radiation. Students and teachers were reminded of the importance of collective efforts to preserve this essential layer of our atmosphere.

FOR TEACHERS (22nd Sept 2023)

Positive Psychology and Gadget Discipline

## A REPORT

This workshop was organised for teachers to discuss the importance of Soft Skills in Teacher's Professional Life. Our School Counsellors conducted the session for creating awareness and dealing with various issues.

The workshop commenced with an ice breaking activity in which there was a ball given to teachers with questions written on it. Each and every teacher participated with full zeal and enthusiasm.

The workshop laid emphasis on student engagement and use of creativity in classroom along with classroom management techniques. It also dealt with the role of teachers as facilitators.

•As a facilitator, the teacher's job is to support every student to do their best thinking and practice. As a facilitator, the teacher encourages the full participation of students, promotes mutual understanding, and cultivates shared responsibility among students.

Importance of Soft Skills in Teacher's Professional Life was discussed. Each and every teacher participated and discussed about the topics in the form of Role plays, charts etc. Everyone enjoyed the activity.

Counsellor discussed about Carl Rogers's humanistic approach, social modelling client centered approach and SOLAR technique.

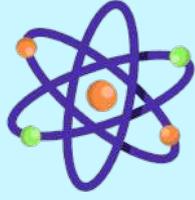

At the end relaxing techniques for students as well as for teachers to calm them down and to inculcate spirituality in student was discussed.

Workshop ended on a positive note and everyone was feeling good and happy after attending the workshop. Teachers also shared their real life experiences.

# Teacher's Workshop

# Day 1

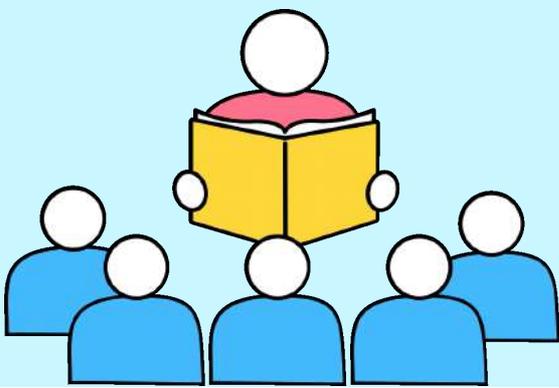

## National Curriculum Framework - school education

DATE- 16TH SEP 2023 & 18TH SEP 2023

Venue- Mahatma Gandhi Sabhaagar KMS

The National Education Policy (NEP) 2020 is a transformative initiative to prepare itself to meet the challenging demands of a 21st century knowledge society. The NCF-SE 2023 is one of the key components of NEP 2020, that enables and energises this transformation, informed by its aims, principles, and approach. Its objective is to realise the highest quality education for all our children, consistent with realising an equitable, inclusive, and plural society as envisaged by our Constitution. The introduction to the chapter 1 AIMS AND CURRICULAR AREAS OF SCHOOL EDUCATION was given by Ms. Anita Chauhan, Coordinator and then Ms. Aashita explained us about VISION OF EDUCATION DRAWN FROM NEP 2020. She talked about the keywords of VISION including ethos, equity and many more. Ms. Sonia highlighted the importance of KNOWLEDGE, CAPACITIES AND VALUES AND DISPOSITIONS in school education. For understanding the CURRICULAR AREAS, we had Ms. Neha ma'am to explore various core areas of it. And the day ended on a good note.

On 18th Sept, we embarked on the journey of Chapter-2 SCHOOL STAGES- Logic and Design with the presentation of Ms. Anita Chauhan. CHILD DEVELOPMENT ACROSS DOMAINS was nicely recapitulated by Ms. Saloni ma'am. Then we got to know about FIVE- FOLD DEVELOPMENT by Ms. Payal .DEVELOPMENT OF CONCEPTS IN A CURRICULAR AREA was deeply explained by Ms. SONAL & JYOTI .At last, STAGE DESIGN-FOUNDATIONAL, PREPARATORY, MIDDLE AND SECONDARY was taken up by Ms. Hema And Ms. Shivani Gautam.

## A REPORT

# DAY 2

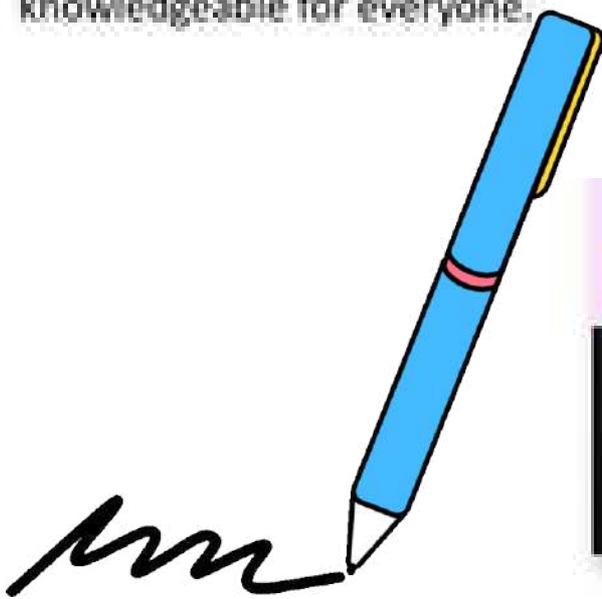

**NCF 2023** is a milestone in the history of Indian education to bring union and harmony across the country. A workshop regarding Chapter 3 of NCF 2023, that is, **Approaches of learning standards, Content, Pedagogy, Assessment** was conducted on 16th September 2023 in KMS Auditorium. The session was attended by the Principal **Ms. Vandana Tandon**, Academic Directors: **Ms. Pramila Mishra**, **Ms. Sakshi Tandon**, Academic Head: **Ms. Paromita Mukherjee** and all the faculty members.

The session began with the introduction to the topic allocated to **Ms. Meeta Kaur** and her team.

**Pedagogy**, the tool of delivering the content to students is very important and it varies across the four stages of a student's school life. The topic was explained by **Mr. Brijesh**, **Ms. Khushboo** and **Ms. Sushma**.

**Assessment** is much needed to assess how much the learners have imbibed and what is left to be learned. The various forms of assessment and their tools were presented by **Ms. Arti** and **Ms. Jaspreet**. The conventional report card has now been replaced by **Holistic Progress Card (HPC)** which is 360° , multi-dimensional where academics are not only focused but the all-round development of the student is taken into account. **Ms. Ranjeeta Gupta** explained the topic very clearly. The PPT presented, was prepared by **Ms. Kajal**.

On the whole, this workshop proved to be quite beneficial and knowledgeable for everyone.

## TOPIC: WORKSHOP ON NCF 2023

NCF2023 is the latest curriculum framework for school education in India. It is based on the vision of the National Education Policy (NEP) 2020, and aims to promote a holistic and learner-centric approach to education.

With ongoing presentation about the same a workshop was conducted on **NCF 2023 Part D: SCHOOL CULTURE AND PROCESSES** on 18<sup>th</sup> Sept 2023 in the school auditorium, which marked the presence of school management, staff and co-teachers.

The session began with the introduction of the topic by Ms. Jaspreet Kaur followed by Ms. Ayushi Gupta who further elaborated on the values and dispositions and constituent elements of school culture. The presentation included quiz, act, flashcards and open-ended questionnaire which were presented by Ms. Ritu, Ms. Ashu, Ms. Anchal and Ms. Divya respectively. Further, Ms. Jaspreet explained the school processes involved in school development and its impact on teaching learning process.

The session proved to be fruitful and gave an insight about the overarching objectives of the NCF which is - to help in positively transforming the school education system of India as envisioned in NEP 2020, through corresponding positive changes in the curriculum including pedagogy.

Glimpses of the workshop are attached below:

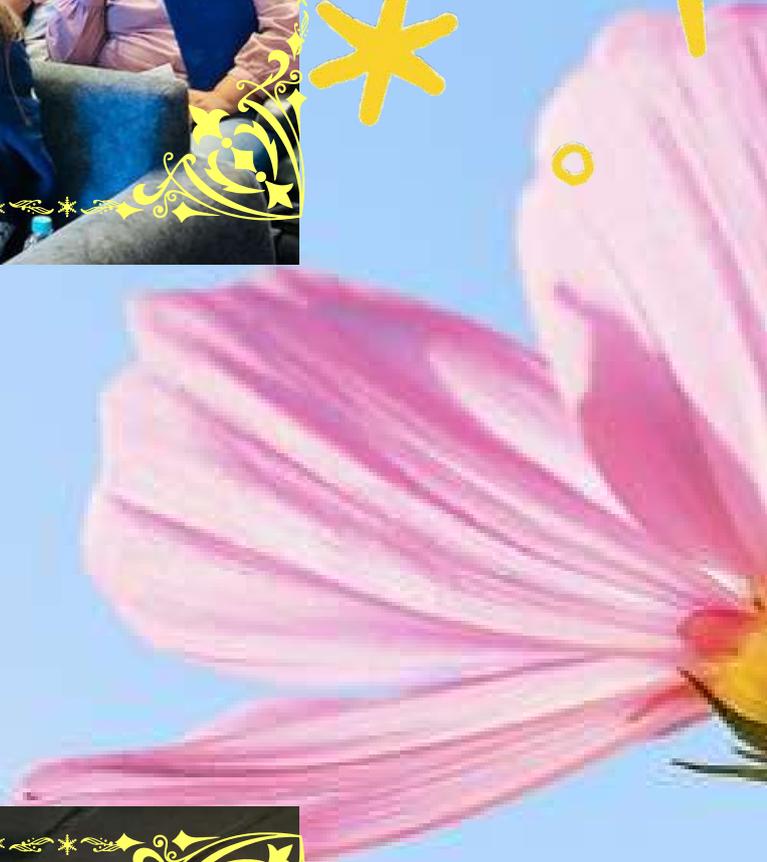

# Day 4

## REPORT ON NATIONAL CURRICULUM FRAMEWORK 2023 (NCF)

**Date- 19-09-2023**

**Class-XI**

A workshop based on National Curriculum Framework was organized in Kamal Model Senior Secondary School in the month of September, for the teachers, under the leadership of **Dr. VANDANA TANDON (School Principal)**. The workshop was conducted to identify the recommendations of NCF and important context to be taken to improvise our education system. The session was started by **Mrs. NEERAJ GUPTA** who enlighten the complete information of (time allocation) recommendations of NCF on schooling time for all four stages i.e., Foundational Stage, Preparatory Stage, Middle stage and Secondary Stage. The main objective of the workshop was to regulate our school curriculum according to the new recommendations made in curriculum framework. The workshop gave us an opportunity to have a close look towards NCF 2023. As a whole, workshop proved to be quite beneficial and knowledgeable for everyone.

EDUCATIONAL  
news

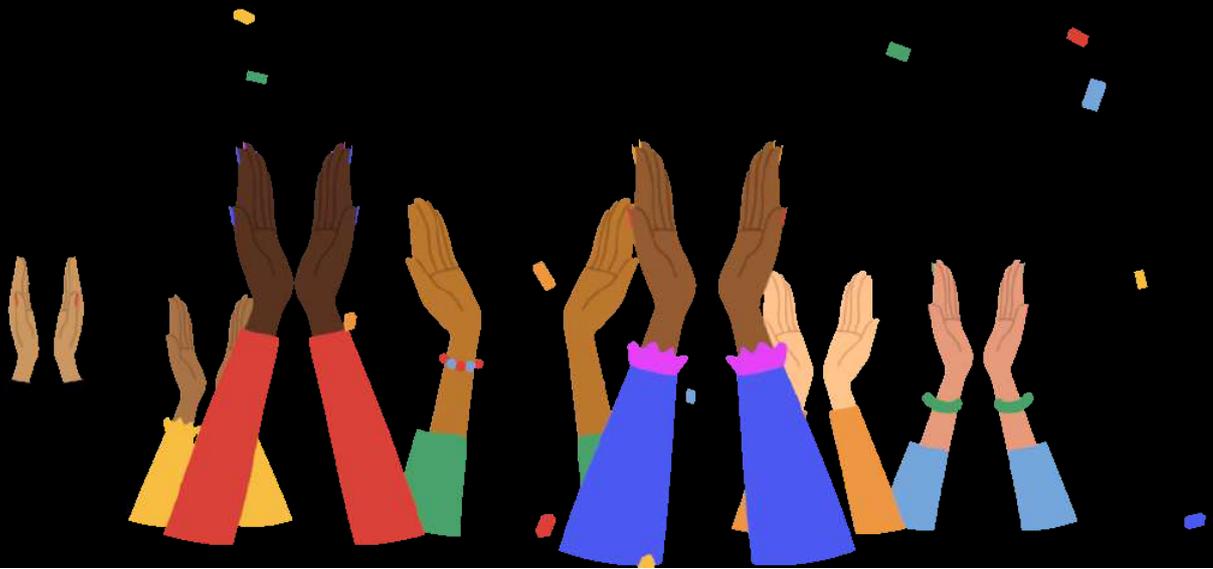

**Dear coordinators and educators**

**I am thrilled to share some fantastic news with all of you. Our school, KMS, has achieved a remarkable milestone by securing the 4th rank in the recent TIMES school survey. This is a testament to your unwavering dedication, hard work, and commitment to providing the best education to our students.**

**Your tireless efforts have not only brought recognition to our school but have also positively impacted the lives of our students. It is your passion for teaching and your continuous pursuit of excellence that has led us to this significant achievement.**

**Let us continue to strive for excellence, nurturing young minds and shaping a brighter future. Once again, congratulations on this well-deserved recognition!**

**With gratitude and appreciation 🌟**

# Our school got 4th position!!

## A Journey of Growth and Learning

Nurturing young minds and fostering holistic development lies at the heart of KMSS School's journey. With a commitment to quality education, the institution has carved a path that showcases an unwavering dedication to fostering a dynamic learning environment.

KMSS School's foundation rests on a robust infrastructure that paves the way for optimal learning experiences. Its student-centered approach places learners at the forefront, fostering curiosity, critical thinking, and creativity.

The emphasis on conceptual knowledge transcends rote learning, promoting a deeper understanding. Underpinning the school's success is collaborative leadership and teamwork. The school fosters a culture of inclusivity and respect among teachers, staff, students and community. Open communication, active listening, and mutual support is encouraged to ensure that every learner works towards common goals.

With a focus on all-round development, coding, AI, and robotics find their place in the curriculum, preparing students for a tech-driven world.

Innovative programmes, digital tools, and technologies are integrated at a rapid pace with evolving educational trends. Diverse activities, including games and sports, round out the experience of students.

Teachers are encouraged to pursue their interests and passions. They are provided with the resources and support they need to grow and develop. Professional development for educators ensures a cutting-edge pedagogical approach.

All school processes are all technology-driven and it utilizes a comprehensive ERP system. The ERP system is used regularly to track student progress and all information is shared on it from time to time. Community engagement is a key feature of the institution which bridges the gap between the school and society. ERP usage maximizes this interaction, aligning with the goals of the sustainable development

Community engagement is a key feature of the institution which bridges the gap between the school and society. ERP usage maximizes this interaction, aligning with the goals of the sustainable development

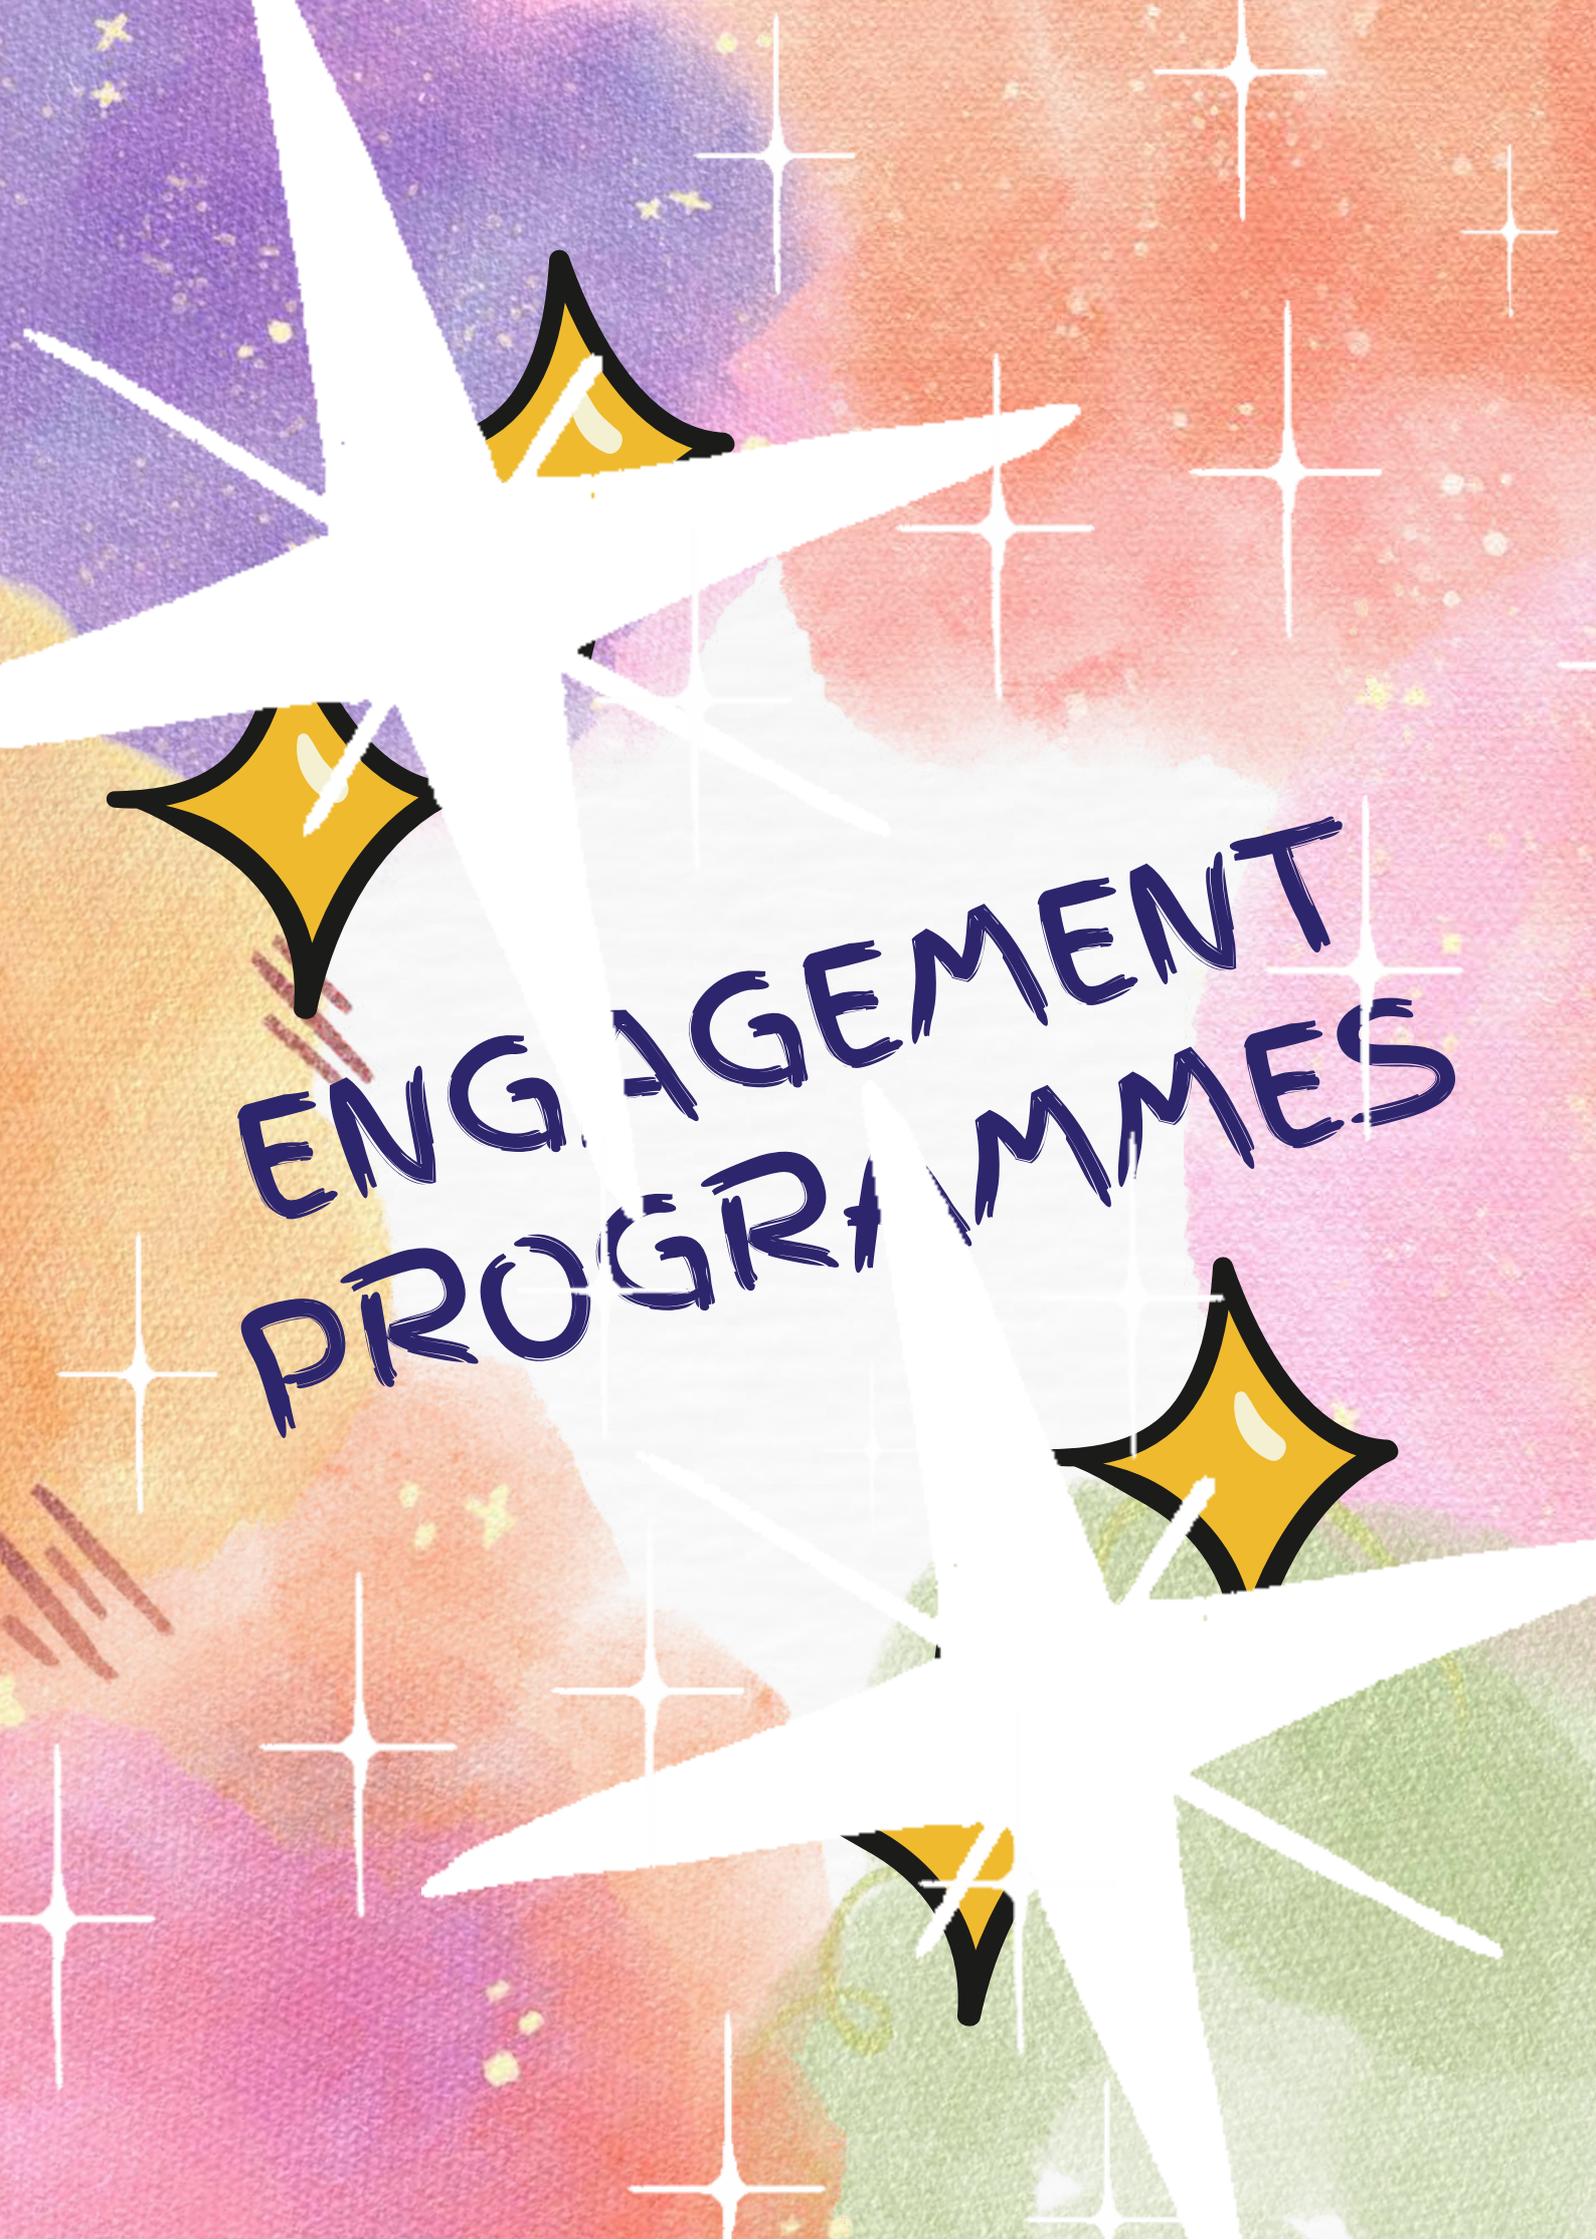

The school takes pride in its multifaceted support for the students, from comprehensive career counselling to promoting mental health and well-being. Safety, security, and a positive environment remain paramount, allowing the learners to take risks, explore their passions, and develop their full potential through deep comprehension.

KMSS School's journey is one of transformation, creating empowered individuals equipped to navigate an ever-changing global landscape.

'Ek Bharat Shreshtha Bharat' initiative was taken up in our school as well. Students participated enthusiastically in many activities. One of the activities under this program was translation of proverbs of Hindi and English language to Sikkimese. Students were taught the importance of unity and how they can make it their strength.

Both Delhi and Sikkim have different languages, traditions, cultures, etc. Students now are learning other state's language to strengthen unity. Diversity is uniting our country. Students prepared various posters and tried to learn Sikkimese language. The purpose of the activity was collaboration, team work, unity, expression of ideas and thoughts. It taught students to learn a new language and know the cultures, traditions, variety of languages which make our Bharat one. It also helped in developing 21st century skills among students.

A Special Assembly on Rainwater Harvesting Techniques in Delhi and Sikkim and also the importance of Rainwater harvesting in schools was conducted by class 11th students. The main aim of conducting this activity was to create awareness about the natural techniques of water harvesting, and develop life skills among students.

Sikkim is a very beautiful place located in the north east part of our country. A part of the eastern Himalayas, Sikkim is notable for its biodiversity, climate and attractive folk dances. Students presented their ideas for rainwater harvesting by bringing forth the contrasting techniques utilized in Delhi and Sikkim.

# Kamal Model School

## REPORT ON SIKKIM TOYS & CULTURE, 2023

Cultural activity on Sikkim Toys was organized on 18th Sep 2023 at KAMAL MODEL SCHOOL. Students of class prep has participated in under the theme "Ek Bharat Shreshtha Bharat".

Ek Bharat Shreshtha Bharat programme aims to enhance interaction & promote mutual understanding between people of different state. With a collective vision to celebrate the unity in diversity of our nation and to ignite the sense of togetherness among the diverse set of communities, religions, and ethnicities, students of class prep have displayed the traditional toys of Sikkim like (dolls, spin wheel, metal mask, clay toys etc). They toys have also enlightened us with the culture of Sikkim like their food, dress, languages etc. Teachers showered them with knowledge about Sikkim's tradition and culture.

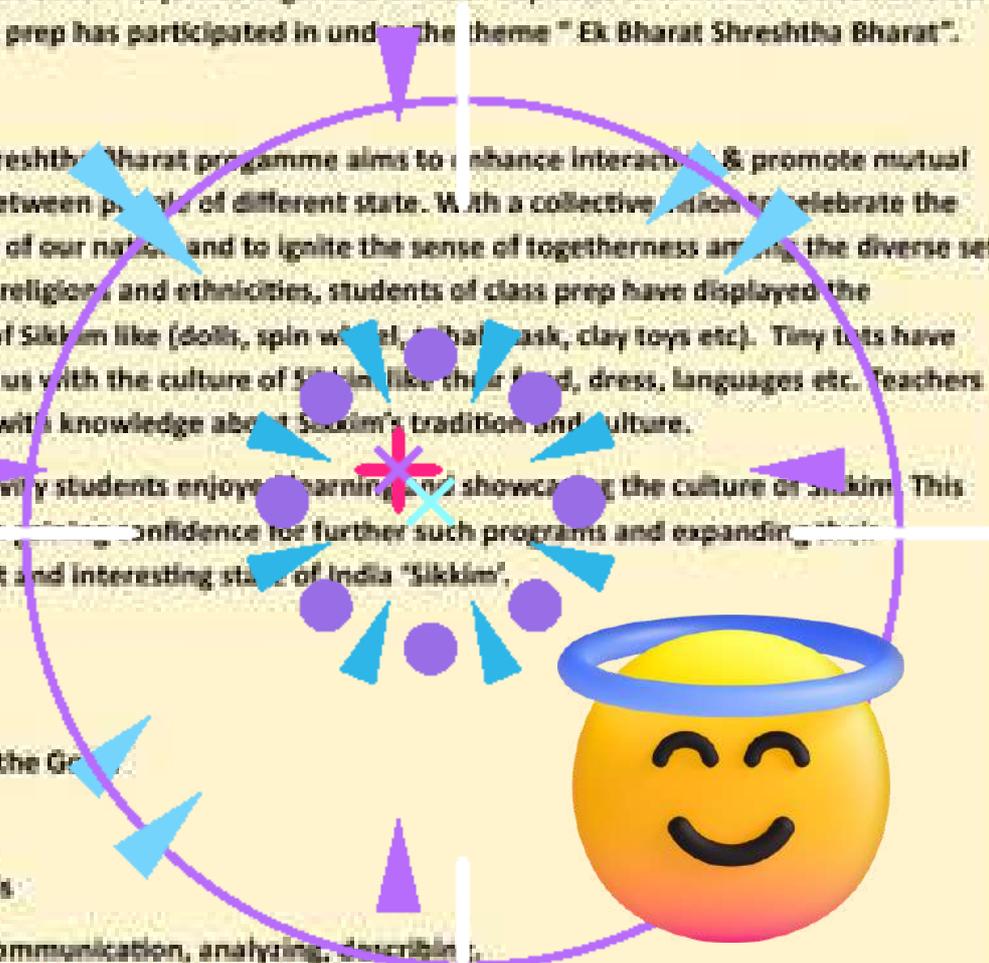

Through this activity students enjoy learning and showcasing the culture of Sikkim. This also helped in building confidence for further such programs and expanding their knowledge about and interesting state of India "Sikkim".

### **A Report on G-20 - Oman Culture and Heritage 2nd Sept to 4th Sept 2023**

**To increase awareness among Central Board of Secondary Education (CBSE) students about the objectives of the G20 Summit, the country's role in it and its leadership, Kamal Model Sr Secondary School organised an activity of card making on G20 - Oman Culture and Heritage for the students of class 6 & 7. These activities allowed students to engage in discussions on global challenges, brainstorming over ideas of sustainable development, and understanding the importance of collaboration among nations. The theme of 2023 G20 Summit 'One Earth One Family One Future', resonates with India's ancient belief that the world is one family. Students were guided to find solutions to the common challenges that the planet is facing. All the students participated in this activity enthusiastically & came up with innovative ideas. They prepared hand made cards on Oman's Culture and Heritage and shared their thoughts on it. They shared their messages to the whole world in an artistic style.**

VISIT TO  
**HUMAYUN TOMB**

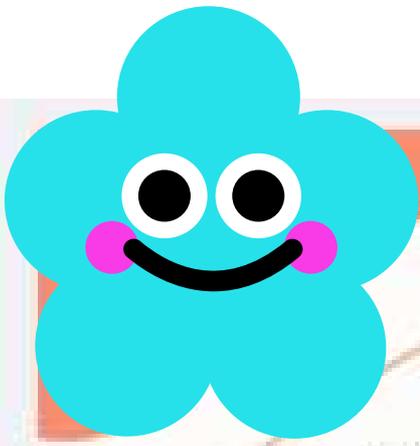

[Click here](#)

Visit to Humayun Tomb, an iconic landmark, to celebrate World Tourism Day by students of Kamal Model School was an enriching educational experience.

On a bright and sunny morning, our school organized a field trip to Humayun's Tomb, a magnificent historical monument located in the heart of Delhi, India. This trip was not only an educational experience but also an opportunity to explore and appreciate our rich cultural heritage. This tomb, built in 1570, is of particular cultural significance as it was the first garden-tomb on the Indian subcontinent. It inspired several major architectural innovations, culminating in the construction of the Taj Mahal. Humayun's Tomb is a beautiful complex made of red sandstone and white marble. Its onion dome inspired the Taj Mahal's architecture. The surrounding gardens have symmetrical fountains, and it is a UNESCO World Heritage Site which was added to the list in 1993.

# Glimpse of sharing experience

The image features a vibrant blue background with several white geometric elements. On the right side, there is a vertical column of three downward-pointing triangles. On the left side, there is a vertical column of three downward-pointing triangles. In the center, there are several overlapping white rectangular outlines of varying sizes and orientations, creating a sense of depth and movement. The text 'CHIEFTAIN MESSAGE' is prominently displayed in the center, rendered in a bold, bright green, sans-serif font with a slight 3D effect and a blue shadow. The word 'CHIEFTAIN' is on the top line, and 'MESSAGE' is on the bottom line.

**CHIEFTAIN**  
**MESSAGE**

Dear Parents, Students, and Guardians,

I hope this message finds you all in good health and high spirits. It brings me immense joy to connect with you through our school chronicle as the Class 5 Coordinator. The start of this academic year has been nothing short of exciting. Our Class 5 students have embarked on a new chapter of their educational journey, and I am delighted to see their enthusiasm and curiosity. The transition to a higher grade is a significant milestone for our young learners. In Class 5, we aim to provide a nurturing environment that encourages independent thinking, self-expression, and personal responsibility. We are dedicated to helping students build a strong academic foundation, develop crucial life skills, and prepare for the challenges that lie ahead. I want to express my sincere gratitude to the parents and guardians for their continued support. Your active involvement in your child's education is invaluable. We encourage you to stay connected with the school, attend parent-teacher meetings, and engage in our various school activities. Together, we can create a strong support system for our students. I also extend my appreciation to our dedicated Class 5 teachers who are committed to guiding and inspiring our students. Their hard work and passion for education contribute significantly to the growth and development of our students. In the coming months, we have an array of exciting academic and extracurricular activities planned for Class 5. These events are designed to provide students with opportunities to explore their interests, collaborate with peers, and develop a well-rounded skill set. As the Class 5 Coordinator, I am excited about the journey ahead, and I am confident that this academic year will be marked by academic achievements, personal growth, and memorable experiences.

Thank you for your continued trust in our school, and I look forward to working together to make this year a truly enriching and rewarding one for our Class 5 students.

Wishing all our students success, happiness, and a thirst for knowledge.

Warm regards,  
ANITA CHAUHAN  
Class 5 Coordinator, (Kamal Model Senior Secondary School)

# Note

A Heartfelt Note from the Teachers of Class 5  
Dear Parents and Guardians,

We, the teachers of Class 5, want to take a moment to express our gratitude and admiration for the incredible students learning with us each day. As educators, we are fortunate to witness the growth, enthusiasm, and potential in these young minds. The Class 5 students have embarked on a journey of discovery and learning, and it's been an absolute joy to be a part of this adventure. We are amazed by their inquisitiveness, their creativity, and the kindness they show to one another. Teaching Class 5 is a rewarding experience. We are committed to providing a stimulating and supportive environment where your children can not only develop academically but also grow into well-rounded individuals. Our aim is to instill in them a love for learning, the ability to think critically, and the values that will guide them throughout their lives. We deeply appreciate the active involvement and partnership of parents and guardians. Your support plays a vital role in a child's educational journey. Your encouragement, communication, and participation in school activities create a strong foundation for your child's success. We'd also like to acknowledge the hard work and dedication of our colleagues, as well as the school administration. Together, we form a collaborative community that prioritizes the well-being and growth of our students. In the upcoming months, we look forward to various exciting activities, projects, and events that will showcase the talents and achievements of your children. We encourage you to participate with your child in these activities and to support their development but also create a positive learning environment. We believe that education is a partnership between the school and the parents. Together, we can empower our children to reach their full potential and become confident, compassionate, and resilient individuals. Thank you for entrusting your children to our care, and for the opportunity to be a part of their educational journey. We are excited about the year ahead and look forward to watching your children continue to flourish and succeed.

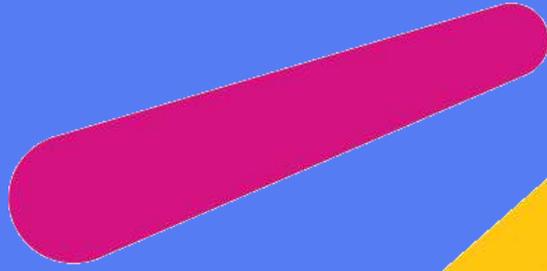

With warmest regards and best wishes,

The Teachers of Class 5
